Our 5-Step Precision Process

01

Walkthrough & Laser Measure

Laser-measure every room for exact material estimates.

02

Slab Test & Moisture Check

ASTM F2170 moisture testing before setting planks/tiles.

03

Dustless Prep & Slab Leveling

Zero-silica dust containment and subfloor leveling to $\leq 3/16"$.

04

Master Craftsman Installation

Precision layout alignment — staggered, herringbone, or slab.

05

Final Walkthrough & Warranty

Walk every seam together, backed by our 5-Year Warranty.

THE 100% DUST-FREE & LEVEL SLAB GUARANTEE

Every installation includes zero-silica industrial dust containment and concrete slab leveling to $\leq 3/16"$ tolerance before setting materials. Backed by our 5-Year Workmanship Warranty.

"Mauricio, Marcy, and Robert went above and beyond to make sure we got the exact right product. Outstanding attention to detail and beautiful floors."

— Barb Fisher — Chandler, AZ
